To Whom It May Concern,

I, Mr. Hassan Hamid, hereby confirm that I have known Mr. Mubashir Ali for 2 academic years as his High School English Teacher. Based on my long-standing acquaintance with the applicant and his family background, I can verify the following information to the best of my knowledge.

Mr. Mubashir Ali belongs to a financially constrained household originally from the Kharmang border area, which was severely affected during the Indo-Pakistan conflicts, particularly the Kargil War. Due to the conflict and loss of ancestral land and livelihood, the family was forced to relocate to Skardu as internally displaced people. This displacement significantly impacted on their economic stability and living conditions.

The applicant's father, Mr. Muhammad Raza, is the sole earning member of the family and is employed as a Government Secondary School Teacher under the Government of Gilgit-Baltistan. His monthly income is limited and is used to support a large household consisting of eight children, covering basic needs such as food, education, healthcare, and housing. The family does not have additional sources of income or significant assets.

Despite these financial hardships, Mr. Mubashir Ali has consistently demonstrated strong academic commitment, discipline, and integrity. I believe he is a deserving candidate for financial assistance and that a scholarship would greatly support his educational aspirations.

I certify that the above information is true and accurate to the best of my knowledge.

Sincerely,

Mr. Hassan Hamid

High School English Teacher
