My family is classified as Internally Displaced Persons (IDPs) from Kharmang, Gilgit-Baltistan. Due to regional conflict and border tensions, we were forced to leave our home and agricultural land and relocate to Skardu. As a result, our family lost access to property, land-based income, and long-term financial stability.

My father is the sole earning member, employed as a government secondary school teacher. Our household depends entirely on his salary, which is used to cover basic living expenses for the family.

Although a Government Provident Fund (GPF) exists. it is a retirement-restricted fund and is not accessible
