LETTER OF RECOMMENDATION

It is my pleasure to recommend Mr. Mubashir Ali s/o Muhammad Raza for admission to your university. I am a senior faculty member at Uswa College Islamabad teaching English at HSSC level. The course I teach is basically meant for enhancing written and oral expression of students. Mubashir Ali distinguished himself by taking deep interest and trying his utmost to cope with the difficult parts of the course and its relevant practice. I would rank him among the most serious and responsible students in respect of his ability and initiative. On the whole, Mubashir Ali is highly intelligent and has good observation and perception. His tests/exams results during his career in the college demonstrate how smoothly he may make progress in his chosen field. He used to participate ardently in class discussions and offered interesting and sharp explanations and points. Mubashir Ali's satisfactory communication skills and proficiency in written work render him a prospective student in his future endeavors as well. He has also demonstrated good teamwork skills in group assignments. At a personal level, Mubashir Ali is a well disciplined, industrious student with a pleasant personality. His performance in my class and Uswa College in general shows that he will perform impressively in his future studies also and would be an extremely positive asset to your program. If I can be of any further assistance, or provide you with any further information, please do not hesitate to contact me.

Yours sincerely,

Syed Hasan Hamid Naqvi
