It is my pleasure to recommend Mr. Mubashir Ali s/o Muhammad Raza for admission to your esteemed university. I am a senior faculty member at Uswa College Islamabad, where I teach English at the HSSC level. The course I teach is primarily designed to enhance the written and oral expression of students.

Mubashir Ali distinguished himself in my class by showing a deep interest in learning and consistently striving to master even the most challenging aspects of the course. I would rank him among the most serious and responsible students, demonstrating both initiative and dedication in his work. His intelligence, observation, and perceptive abilities are evident in his performance throughout his academic career.

He actively participated in class discussions, offering thoughtful and insightful contributions. Mubashir's proficiency in written communication and his articulate expression render him a highly capable student, prepared for the rigors of higher education. Furthermore, he has demonstrated strong teamwork skills in group assignments and exhibits a collaborative and cooperative spirit.

On a personal level, Mubashir is disciplined, industrious, and possesses a pleasant personality. His performance in my class and in Uswa College overall indicates that he will continue to excel in his future academic pursuits. I am confident that he would be a positive asset to any program he joins.

If I can provide any further information or clarification regarding his qualifications and character, please do not hesitate to contact me.

Yours sincerely,
Hassan Hamid
